

**WARRANT TO CALL MAINE SCHOOL ADMINISTRATIVE DISTRICT NO. 35
BUDGET MEETING
(20-A M.R.S.A. 1305-B)**

To: Randy Stewart, a resident of Maine School Administrative District No. 35 composed of the Towns of Eliot and South Berwick, State of Maine.

In the name of the State of Maine, you are hereby required to notify the voters of each of the municipalities within Maine School Administrative District No. 35, namely the Towns of Eliot and South Berwick, that a District Budget Meeting will be held at Marshwood High School, 260 Route 236, South Berwick, Maine at 7:00 P.M. on May 25, 2016 for the purpose of determining the Budget Meeting Articles set forth below.

ARTICLE #1A: To elect a moderator to preside at the meeting.

**ARTICLES 1 THROUGH 11 AUTHORIZE EXPENDITURES IN COST CENTER
CATEGORIES**

ARTICLE #1. To see what sum the District will be authorized to expend for Regular Instruction.

The Board of School Directors Recommends \$13,892,209.

Explanation: This article provides funding for all elementary and secondary instruction, the gifted and talented program, and the English language learners program.

ARTICLE #2. To see what sum the District will be authorized to expend for Special Education.

The Board of School Directors Recommends \$3,893,937.

Explanation: This article provides funding for all special education services.

ARTICLE #3. To see what sum the District will be authorized to expend for Career and Technical Education.

The Board of School Directors Recommends \$159,682.

Explanation: This article provides funding for all vocational education services.

ARTICLE #4. To see what sum the District will be authorized to expend for Other Instruction.

The Board of School Directors Recommends \$865,261.

Explanation: This article provides funding for all the co-curricular and extra-curricular programs.

ARTICLE #5. To see what sum the District will be authorized to expend for Student and Staff Support.

The Board of School Directors Recommends \$3,110,317.

Explanation: This article provides funding for all student and staff support services such as, guidance, nursing, library, curriculum and staff development, technology, and assessment.

ARTICLE #6. To see what sum the District will be authorized to expend for System Administration.

The Board of School Directors Recommends \$919,384.

Explanation: This article provides funding for central administration including the School Board, Superintendent, and Business Office.

ARTICLE #7. To see what sum the District will be authorized to expend for School Administration.

The Board of School Directors Recommends \$1,727,807.

Explanation: This article provides funding for school building administration.

ARTICLE #8. To see what sum the District will be authorized to expend for Transportation and Buses.

The Board of School Directors Recommends \$1,938,984.

Explanation: This article provides funding for all student transportation to and from school, including special needs students, out of district placements, and transportation to vocational education centers.

ARTICLE #9. To see what sum the District will be authorized to expend for Facilities Maintenance.

The Board of School Directors Recommends \$3,231,123.

Explanation: This article provides funding for the maintenance and operation of all school buildings and grounds including custodial services, building repairs, utilities, insurance, building security, and minor construction projects.

ARTICLE #10. To see what sum the District will be authorized to expend for Debt Service and Other Commitments.

The Board of School Directors Recommends \$1,570,468.

Explanation: This article provides funding for the debt service on the high school and middle school construction bonds and the qualify school construction bond..

ARTICLE #11. To see what sum the District will be authorized to expend for All Other Expenditures.

The Board of School Directors Recommends \$135,000.

Explanation: This article provides funding for the School Board contingency fund.

ARTICLES 12 THROUGH 14 RAISE FUNDS TO EXPEND FOR THE SCHOOL BUDGET

ARTICLE #12. To see what sum the District will appropriate for the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and to see what sum the district will raise and assess as each municipality’s contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688 (Recommend amount set forth below):

The Board of School Directors Recommends the amounts set forth below:

<u>Total appropriated (by municipality):</u>		<u>Total raised (by municipality):</u>	
Town of Eliot:	\$10,338,636.62	Town of Eliot:	\$6,889,968.34
Town of South Berwick:	\$13,884,973.07	Town of South Berwick:	\$5,363,875.00
<u>School District Total</u>		<u>School District Total</u>	
<u>Appropriated:</u>	\$24,223,609.69	<u>Raised:</u>	\$12,253,843.34

Explanation: The District’s contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that the district must raise and assess in order to receive the full amount of state dollars.

ARTICLE #13. To see what sum the District will raise and appropriate for the annual payments on debt service previously approved by the legislative body for non-state-funded school construction projects, or non-state-funded portions of school construction projects in addition to the funds appropriated as the local share of the District’s contribution to the total cost of funding public education from kindergarten to grade 12.

The Board of School Directors Recommends \$370,251.89.

Explanation: Non-state-funded debt service is the amount of money needed for the annual payments on the district’s long-term debt for major capital school construction projects that are not approved for state subsidy. The bonding of this long-term debt for the Middle School addition and HVAC renovations was previously approved by the voters.

ARTICLE #14. Shall the District raise and appropriate \$4,011,120.41 additional local funds, which exceeds the State’s Essential Programs and Services allocation model by \$3,461,621.34, as required to fund the budget recommended by the School Board of Directors?

The Board of School Directors Recommends \$4,011,120.41 in additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services funding model:

- Because the state has yet to reach its required 55% funding level responsibility, the EPS funding formula has become a cost containment mechanism.
- The EPS funding formula is based on statewide average costs for supplies and services and does not adjust for local cost variations.
- In order to attract and retain a highly qualified teaching staff our teacher salaries are 19% higher than the state average, the funding formula only allows for a 6% regional adjustment.
- EPS funds only about 1/3 of our athletic or co-curricular program costs.
- For the safety of our students we provide more extensive transportation services than recognized by the EPS formula.
- Because of the importance we place on students and staff learning to use technology, we spend more on technology than the EPS formula allows.
- For the safety and welfare of our students, we provide a nurse in each school building, the EPS formula does not allow for a nurse in each building.
- To facilitate and enhance the opportunity for our students to maximize their educational experience we provide a greater level of counseling services than required by the EPS funding formula.
- Because of the rise in the cost of health insurance, the cost of our employee benefits is about 30% of salary and wages, the funding formula caps them at 20%.
- Despite all of the above, MSAD35 spends an average of \$500 less per student than the state average. a

Explanation: The additional local funds are those locally raised funds over and above the District's local contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual debt service payment on previously approved non-state-funded school construction projects, the non-state-funded portions of school construction projects, and minor capital projects that will help achieve the District's budget for educational programs and will be assessed pursuant to the cost sharing formula approved by the voters on November 7, 2006.

ARTICLE 15 SUMMARIZES THE PROPOSED SCHOOL BUDGET

ARTICLE #15. To see what sum the District will authorize the school committee to expend for the fiscal year beginning July 1, 2016 and ending June 30, 2017 from the District's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools.

The Board of School Directors Recommends \$31,444,172.

ARTICLE 16 RAISES FUNDS TO EXPEND FOR THE ADULT EDUCATION PROGRAM

ARTICLE #16. To see if the District will appropriate **\$92,588** for Adult Education and raise **\$92,588** as the local share with authorization to expend any additional, incidental, or miscellaneous receipts in the interest and for the well-being of the adult education program.

The Board of School Directors recommends a "YES" vote.

ARTICLE 17 AUTHORIZES THE BOARD TO EXPEND ADDITIONAL STATE AND FEDERAL FUNDS

ARTICLE #17. In addition to the amounts in Articles 1 through 16, shall the District authorize the Board of Directors to expend such additional State, Federal and Other Funds received during the 2016 -17 fiscal year for school purposes provided that such grants, programs or other services do not require the expenditure of other funds not previously appropriated?

The Board of Directors recommends a "YES" vote.

ARTICLES 18 AUTHORIZES A TRANSFER TO AND EXPENDITURE FROM THE CAPITAL RESERVE FUND

ARTICLE #18. Shall the School Board be authorized to transfer up to \$0 from undesignated fund balance at the end of the 2015-16 fiscal year to the capital reserve fund; and to expend up to \$610,000 from the capital reserve fund to be used for capital projects, facility upgrades, and emergency repairs?

The School Board recommends a "YES" vote.

Explanation: The Capital Reserve Account established in 2006 for the purpose of funding capital improvement projects, facility upgrades, emergency repairs, and capital equipment purchases has a current balance of \$638,000. Voter approval would allow the district to purchase five school buses and replace the Central Elementary School boiler.

Given under our hand this day, May 4, 2016 at South Berwick, Maine.
